

November 25, 1976 Darśana with Baba Hari Dass

Edit notes: The following was typed from notes handwritten at the time of the darśana. Q denotes a question. B indicates what Babaji wrote on his chalkboard, as read by the reader, and then as heard and noted by someone present. Comments in square brackets are generally those of the typist. There was editing for format and IAST transliteration of Sanskrit terms.

B: Saṁskāra, when manifested on citta, are called desires. Those desires cause saṁskāra. Egg and chicken relationship.

Q: What is it in languages that shapes nations' world views?

B: Language is created by feelings. In Sanskrit, if they fight it's like singing.

Q: If they argue?
