

February 17, 1979 Darśana with Baba Hari Dass

Edit notes: The following was typed from notes at the time of the recounting of the darśana to the typist. Names of individuals who are not public figures are removed to protect their privacy. There was editing for IAST transliteration of Sanskrit terms.

According [to a satsaṅga member], Babaji has said that once he has met a person, a thread of that person's consciousness is always with him.
